# CLEAR<sup>THE</sup> SHELTERS

**AUGUST 1 - 31, 2020**

## Support No Dog Left Behind during Clear the Shelters Month

We are excited to be a part of Clear the Shelters this year. The focus this year is around "Adopt and Donate" initiatives to help support shelters and rescues.

**Clear the Shelters is matching donations made this week if you donate at our dedicated site here: <https://bit.ly/3grGSXE> .**

No Dog Left Behind has been hit hard this year in good ways and bad. The good news is we have adopted over 500 dogs this year which is almost more than we adopted all of last year! The bad news is we have taken in more difficult cases than ever before and with more dogs comes more medical bills.

We continue to do everything we can to help as many dogs as possible but having enough funding is a sad reality for even our rescue that has almost all of

our funds going directly to our dogs.

Thank you for your ongoing support donating, adopting, fostering, and volunteering! We couldn't do the work we do without your support!

**Don't forget about [Virtual Beer Tasting with Lagunitas](#)  
Aug 13 at 7:30 p.m.**

**You can still reserve your 6-pack on Eventbrite and pick up now through August 12 at France 44 Wine & Spirits, Surdyk's Liquor & Cheese Shop, or The Ale Jail.** Tickets are \$20 and include 6 different Laugunitas beers, Lagunitas swag, and admission to our virtual event. It's free to reserve your ticket and payment can be made when you pick up your beer.

Lagunitas' brew master (aka brew monster), Jeremy, will be leading the tasting. He is hilarious and really knows his stuff so you can ask him anything! We also will be playing some games with fun prizes along the way!

**No Dog Left Behind August 'Pup'dates**

- **61 dogs were adopted in July!**

We took in a two three-legged pups, a puppy with a heart murmur, two dogs expecting, a dog with an incurable heart murmur, dogs from high kill shelters, owner surrenders, and breeder releases. We aren't stopping until we save them all!

- **Seal is getting a wheelchair!**

He was born with a leg deformity in his front legs but that has never help him back! Some amazing volunteers are helping to build him a custom fit wheelchair. He'll be available for adoption soon!
